

Introducing you to Think London

Think London is the foreign direct investment agency for London. We connect international businesses to London, helping them set up, succeed and grow. We are a not-for-profit, private-public partnership delivering expertise and advice to international businesses. Our service is comprehensive, confidential and funded – and therefore free to our clients. Our experts work with government and the business community to help companies access the best people, places and opportunities in the city.

Think London can help you set up business in London quickly and efficiently, making international expansion cost-effective, productive and profitable. Whatever your business size, we can save you valuable management time and money, helping you take full advantage of all that London has to offer.

Over the past 14 years we have helped over 1,000 companies from 40 countries set up or expand in London.

- **We help you make the business case** for locating to London and help you set up as quickly, seamlessly and smoothly as possible.
- **We help you make the right connections** by offering access to relevant business networks, professional associations and specialist expertise such as: lawyers, accountants, bankers, sources of government grants, insurance agencies, commercial and residential property specialists, office fitters, telecoms and IT providers, architects, PR experts and marketing agencies.
- **We help you find the right people** from the huge pool of talents and skills available in London.
- **We help you find the right property**, making sure you set up close to the right markets, with the appropriate infrastructure and business support services.
- **We help you settle in to London life**, with information about housing, schools and local amenities. We help you sort out the important aspects of living in London for your staff and their families.
